## ATTENTION UTILITY CUSTOMERS

The budget billing program is changing as the result of our software upgrade. Customers are no longer required to pay their overage balance in full by August 1<sup>st</sup>. Additionally, the City will no longer be issuing refund credits. Anyone who wants to pay the outstanding balance may do so by their July invoice due date. Any remaining account balance will be included in the new budget amount that begins in August. New contracts and letters will be mailed to each existing budget customer after their July invoice due date.
