

Rensselaer Parks Department Presents:

S.T.E.A.M. Thursdays

(science, technology, engineering, math, and art)

This summer the Rensselaer Parks Department will be hosting a program that has an emphasis on STEAM. Each week participants will engage in a different activity. Participants can sign up for any number of sessions. Students who have completed pre-school through 8th grade can participate.

Check the sessions for which you wish to register. (Use on form per child.)

___ Donuts with Dinosaurs June 6 - 10:30-11:30 a.m. Brookside Park, Hall Shelter

Participants will enjoy donuts while learning about real-life modern day dinosaurs- lizards! \$7 fee

___ Basic Robotics June 13 ~ 10:30-11:30 a.m. Brookside Park, Hall Shelter

Participants will learn the basics of robotics and have the opportunity to operate and complete tasks with a robot. \$7 fee

___ Build a Boat June 20 ~ 10:30-11:30 a.m. Brookside Park, Hall Shelter
