PLEASE READ AND INITIAL EACH OF THE FOLLOWING STATEMENTS.

Per City of Rensselaer Ordinance: if applicant is unable to provide a letter of credit from current utility provider indicating 12 months of good payment history with no disconnects to receive a deposit waiver; then applicant consents to have a credit risk assessment report ran through Online Utility Exchange. The information obtained is used to verify identification and determine the required meter deposit(s). This inquiry does not adversely affect your credit file.

Meter deposits will be refunded to applicant in the form of a bill credit, after twelve (12) consecutive months of zero (0) late payments, applied to the utility account on the thirteenth (13) month or applied to the final invoice once the services are no longer required. Any remaining deposit funds will be refunded in the form of a check.

Delinquent deposit: If no deposit is on file due to previous waiver or refund and account is disconnected twice within six (6) months due to delinquency; then a delinquent deposit per meter, equal to the standard deposit, based upon classification and meter size, will be required prior to reconnection of services.

Each utility account is assessed minimum charges and an environmental fee monthly. Applicant agrees to pay the fees charged in accordance to the City Ordinances.

Should the account become delinquent and require collection efforts, this information will be shared with Online Utility Exchange. Furthermore, if legal action is necessary to collect amounts due under the account, the undersigned consents to the jurisdiction of the Jasper County Indiana courts.

The City of Rensselaer is authorized to communicate important information to applicant and listed authorized users, through telephone calls, text message and emails.

I have read the above information and duly attest that the above responses are true. I understand that misrepresentation or omission of any facts or information called for on this application is subject to any and all City of Rensselaer Codes and/or ordinance(s). I understand that if such information is found to be false (fraudulent), the City will be bound to resolve this matter in accordance to its policies, codes, and/or ordinances, which may include any necessary fees or fines.
