

LIHEAP

Indiana has received approximately \$17 million through the CARES Act to help with energy assistance. **The funding is available to people not usually eligible for the LIHEAP program, including those laid off due to COVID-19.** The LIHEAP program is administered locally through Jasper County Community Services located at 967 E Leopold St, Rensselaer, IN 47978. Visit the website for assistance information at <https://www.in.gov/ihcda/4067.htm>. Under the eligibility requirements, income levels are addressed and considered specifically if someone has had zero income in the last 3 months.

For additional information, call 866-8071 or dial 211, Indiana's free and confidential service that helps Hoosiers in need with local resources.
