

*** IMPORTANT NOTICE TO JASPER COUNTY VOTERS ***

VOTERS FROM EVERY PRECINCT MAY VOTE AT ANY VOTE CENTER LOCATION!

New voting concept will increase convenience and flexibility for voters!

Effective with the May 2022 Primary Election, Jasper County will officially gain status as a Vote Center county. Jasper County will be one of the 48 plus Indiana Counties to switch to Vote Centers.

“I am very excited that Jasper County has decided to make the switch to Vote Centers,” County Clerk Kara Fishburn said. “It has taken a lot of planning and hard work from all those involved, but the benefits to the voters of Jasper County will be well worth the effort we have spent implementing Vote Centers. The most common questions we receive on Election Day is “Where is my polling location”? or “I work outside the County and I can’t make it to the polling location located by my house by 6:00 p.m. on Election Day” or “All the ballots are on the voting machines during absentee voting, why aren’t they on Election Day”? Vote Centers address these common concerns by broadening the voter’s ability to cast their ballot. This will give the voters of Jasper County the opportunity to cast their ballot at any vote center in Jasper County on Election Day.

Simply put, Vote Centers are polling locations where any eligible voter in Jasper County may go to vote. They eliminate the need for traditional polling places and allow voters in the county more flexibility regarding where they cast their ballots. In addition, significant cost savings are expected over time. Please take note, that Vote Centers do not replace absentee voting. We will still offer absentee voting prior to Election Day in Jasper County.

Ultimately, our goal is to make voting easier and more convenient for the voters of our county while also saving county money. As always, we value the feedback of our constituents and encourage you to voice your questions or concerns. Locations of the Jasper County Vote Centers will be posted in the near future.
